Standard Chlorine of Delaware, Inc.
Delaware City, DE Properties

Dear Ms. Lose:

Please find attached a duplicate set of prints that show the waste soil piles from Standard Chlorine of Delaware as they impact Air Products' Delaware City property. Hopefully, these pictures provide you with the information you needed.

Please pardon my delay in getting you these prints. If Air Products can be of further assistance to you on these matters, please advise.

Sincerely,

Steven D. Reese
Program Manager
Gases Group Environmental
